

Reference provided by

EMKOM Solutions can solve the re-coating-problem with your outdoor furniture.

After the treatment with our LIVOS products you and your guests will enjoy outdoor furniture which:

- looks like new.
- is easy in maintenance.
- after re-coating the outdoor furniture with our LIVOS products an annual wiping off with some oil and a rag is sufficient to maintain a pristine look.
- doesn't require sanding (NO DUST / NO NOISE).
- prices include:
 - removal of previous coating
 - coating materials
 - transport from and to your hotel.
